Leland Dudek
Acting Commissioner
Social Security Administration
6401 Security Blvd.
Baltimore, MD 21235

Dear Acting Commissioner Dudek:

We write with concern in response to public reporting indicating you plan to close many field offices this year amidst the Department of Government Efficiency (DOGE)'s attack on the Social Security Administration (SSA).

Field offices provide vital services to Social Security recipients, and beneficiaries need the opportunity to seek assistance from SSA in person. Each day, approximately 170,000 people visit an SSA field office for assistance.[1] Closing any of these field offices will make it harder for individuals to access their benefits.

Below is a list of all SSA field offices across the country. Given SSA's recent attempts to close field offices—only to reverse course after public outcry and claim it never had plans to close offices[2]—will you commit to keeping each one of these offices open? If not, please identify which offices you will close and why.

SSA field offices by address:
